

WORK WITH MUZULU

Are you looking to take the next step forward in your career?

At Muzulu, we don't just provide cutting-edge ERP solutions – we're working to reshape the future of business. Our continued growth means we're looking for talented people to join our supportive team of experienced, authorised IFS professionals.

Muzulu is regarded as an industry leader in IFS consultancy, earning respect and recognition for our excellent customer service, lasting client relationships and in-depth IFS expertise.

When you join the Muzulu team, you'll be delving into challenging projects for clients across a range of industries – including construction, engineering, manufacturing and life sciences – and working in a collaborative environment where you'll be given both the freedom and the backing to succeed.

Our commitment to our colleagues

Working at Muzulu is much more than just a job. We see ourselves as more of a family, thriving on diversity and dynamism, supporting one another to make our aspirations – and those of our customers – a reality.

Here are just some of the advantages that working at Muzulu can offer you.

Excellent benefits

Your wellbeing is our top priority. That's why we offer a comprehensive benefits package tailored to your specific needs, including:

- Hybrid and part-time working. We give you flexible working options that fit around your lifestyle, helping you strike the ideal work-life balance.
- Family-friendly flexibility. We understand how important your family is to you – and it's important to us, too. Our supportive working arrangements and policies help you manage your family responsibilities with ease.

A commitment to fairness at work.

At Muzulu, we believe in equality and representation in the workplace – and we act on that belief. That's why we champion a 50-50 gender balance.

Investment in your growth.

We're fully committed to your personal development, empowering you to contribute to the fullness of your ability. As such, we offer tailored training programmes and other opportunities for personal and professional growth.

Challenging, but rewarding projects.

As part of the Muzulu team, you'll be taking on complex and ambitious IFS consultancy projects, partnering with best-of-breed solutions from leading technology brands.

A tight-knit, supportive team.

Working with the rest of the Muzulu team, you'll have the chance to learn from seasoned experts, fine-tune your own skills and make a real impact working alongside experienced IFS leaders.

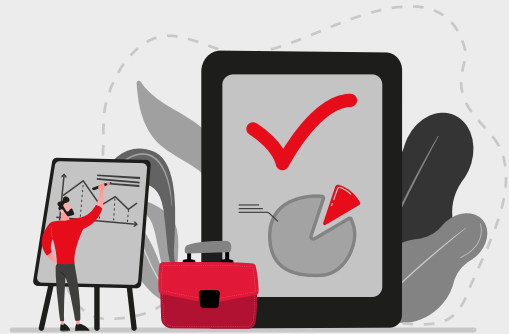

"The culture at Muzulu is unbeatable. Our team collaborates and innovates constantly. The flexibility and support you receive as an individual are second to none."
